Why Sponsor?

As a sponsor, your partnership with the GEARS Charity Golf Tournament plays an important part in helping injured, abandoned, unwanted, and homeless animals in the greater Edmonton area. The demand for our services continues to rise and your support makes an important difference in the animal rescue community. Funds raised will allow our network of volunteers and foster homes to give companion animals a second chance at their forever family and help the numerous animals in our outreach program.

Sponsors have the opportunity to showcase services and products while reinforcing their brand with tournament guests, community leaders and sponsors. This event may provide an opportunity to invite clients and key prospects for an enjoyable round of golf with other leaders in the community.

Your sponsorship will be a testament to your company's commitment to social responsibility and animal welfare.

We appreciate the chance to partner with you. With your valuable participation, we will be able to continue our important work - compassion motivates us to help, heal, and alleviate the pain of the animals we encounter.
